# Project-based International Exchange Programme

---

## Definition, Aim and Scope

This programme aims to promote and strengthen the cooperation between higher education institutions in accordance with the purpose of improving quality in the internationalization process of the higher education system.

# Project-based International Exchange Programme

---

## Definition, Aim and Scope

Field Oriented and without any Country Restriction

- started in the 2016-2017 Academic Year,
- is supported by the Council of Higher Education (CoHE),
- is open to the projects within the scope of fields mentioned in the call by the CoHE,
- requires both student and academic staff exchange.

# Project-based International Exchange Programme

---

## Definition, Aim and Scope

Please contact your departmental coordinator at YTU for the fields included to the Project call.

(<http://www.mevlana.yildiz.edu.tr/page/19/Departmental-Coordinators/120>)

# Project-based International Exchange Programme

---

## How Different from Other Projects?

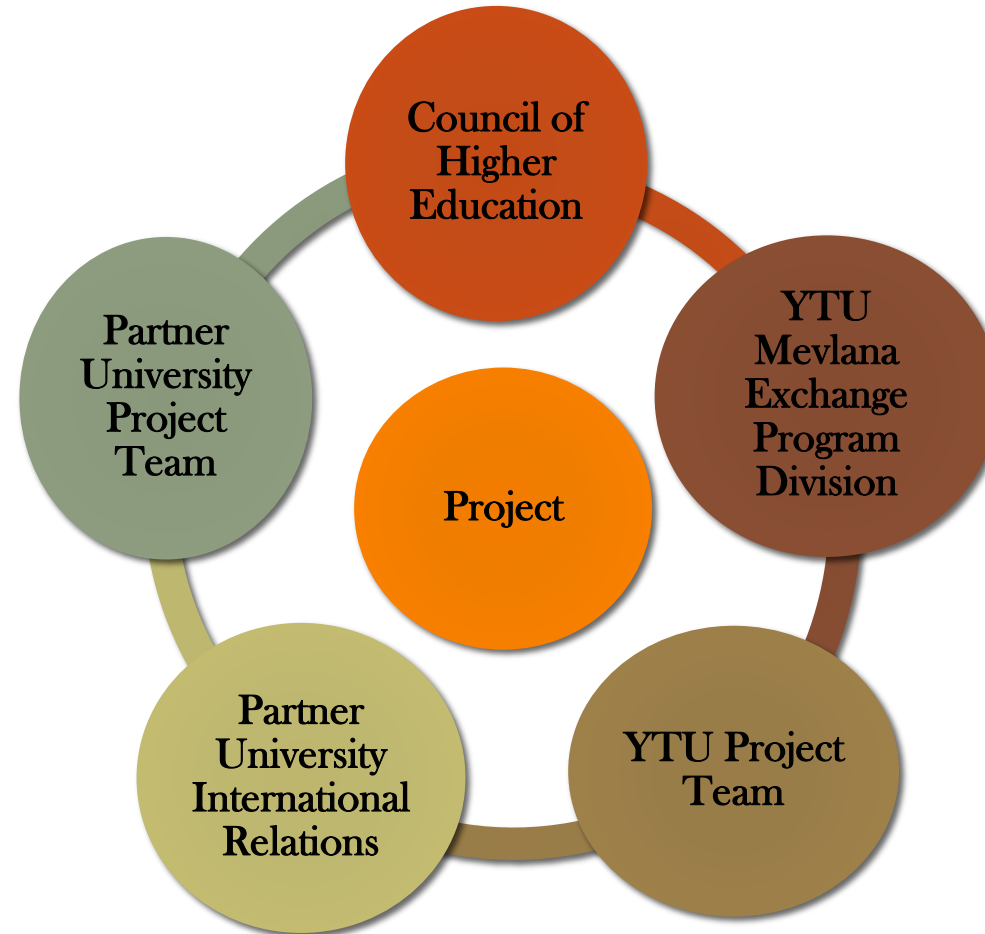

It is an exchange project. Therefore; it covers travel expenses and daily wages for academic staff, and it offers scholarship for Students.

# Project-based International Exchange Programme

## Participants

Project Team:

- Project Coordinator
- Participants (Academic Staff and student/s)

# Project-based International Exchange Programme

## Procedure

---

- **Deadline: 17th April 2020**
- YTU Project coordinator will log in to <https://yoksis.yok.gov.tr/> web-site and submit her/his Project application(s).

- **Deadline: 4th May 2020**
- Online applications will be sent to CoHE by YTU International Relations.

- CoHE will evaluate the applications and announce their decision.

# Project-based International Exchange Programme

---

## IMPORTANT NOTES FOR PROJECT PARTNERS

- You cannot log in to <https://yoksis.yok.gov.tr/> because this system is open to Higher Education Institutions in Turkey. We expect your YTU partner (Project Coordinator) to log in the system and fill out necessary parts.
- You are required to find a partner whose research areas are similar to yours and with whom you can form a project. S/he will be the Project Coordinator. (see [here](#) for the academic staff at YTU)
- Your department names are to be mentioned in our Mevlana Exchange Programme Protocol. (visit [here](#))
- Mevlana Exchange Programme and Project-based International Exchange Programme are different from each other. Fund which is being offered differs, too.

# Project-based International Exchange Programme

---

## Scholarship

Countries	INCOMING STUDENT (MONTHLY)
All Countries	1400TL (x4)

# Project-based International Exchange Programme

---

## Fund for Academic Staff

# Project-based International Exchange Programme

---

## Fund

### IMPORTANT NOTES:

- If the academic staff mobility lasts longer than 14 days, 70% of daily wage will be based as the daily wage on 15<sup>th</sup> day and for the next days.
- Travel fee is the maximum limit for round-trip for an academic staff. Receipt of each and every travel is to be submitted. For those travel expenses which do not exceed the maximum amount mentioned above, expenses (with receipt) will be covered only.

# Project-based International Exchange Programme

---

## Evaluation Criteria

- Project meets minimum requirements of the call,
- Project is following call's principles whilst application,
- The widespread influence of the project upon having completed it,
- Project method, project team, research facilities,
- Project includes academic staff and student exchange,
- Project lasts for at least 6 months/or longer.
